

Up Block Game

Directions: Use a penny or cut out the yellow circle below to help you count up and down the blocks.
Color the squares on the right where you landed.

1. Go up 2 blocks from start. What color did you land on?

2. Go 3 blocks up. What color did you land on?

3. Go down 1 blocks. What color did you land on?

4. Go up 3 blocks. What color did you land on?

5. Go down 4 blocks. What color did you land on?

Cut out this circle:
